

Regular School Board  
Meeting  
October 9, 2017

# *Findings From Stakeholder Input*

- Brainerd Schools – Great Teachers and Staff
- Quality Educational Opportunities
- Neighborhood Schools - Very Important
- High School Campus Location – Valued Part of Community
- Business Community Requesting Enhanced Communication, Workforce Development Partnerships, Robust Career/Technical Education Opportunities, and Technology Integration
- Forestview Middle School is a Quality Facility and Currently has Appropriate Amount of Space

# *Findings From Stakeholder Input*

- Lack of Physical and Functional Space at Elementary Schools and Functional Space at the Secondary Schools, Results in an Inequality of Educational Delivery
- Facilities Faced with Significant Deferred Maintenance Needs  
*(With Exception Of Forestview Middle School)*
- Safety and Security Concerns Across District
- Parking and Pick Up-Drop Off Concerns Across District  
*(Need For Separation of Bus/Parent Drop Off-Pick Up)*

# Challenges in Our Elementary Schools
