

# Blueprint 181

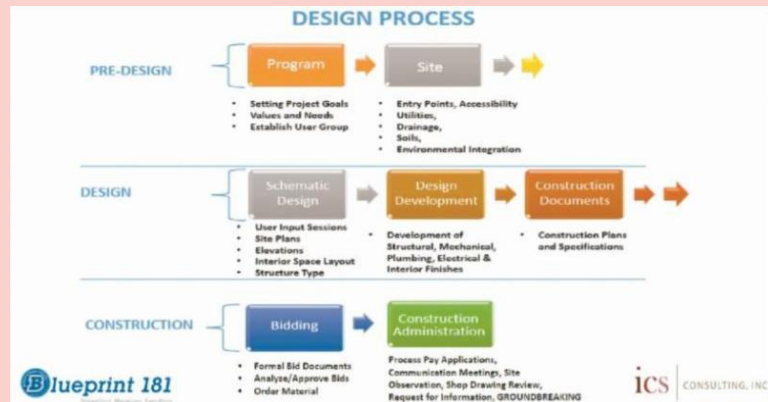

Investing. Growing. Leading.

Thank you for your interest in the Blueprint 181 process to develop Brainerd Public School facilities that promote opportunity, innovation, and success for all learners. As we move into the construction phase of the building process, we will be sending out monthly emails to keep you updated on the progress of each project.

## MOBILIZATION & IMPLEMENTATION

The referendum passed, now it's time to build...right? Not quite. Now that the community has approved the Blueprint 181 plan, we are mobilizing to begin implementing the plans for each building. As this diagram shows, there is a lot to do before construction begins next spring. Check out the draft timeline for each school's project on the Blueprint 181 website. [Learn more](#)

## DESIGN TEAMS FORMING NOW

Core Design Teams, the groups that will design the construction projects at the five schools that will be addressed first, are being formed now. The first phase of construction will include: Forestview Middle, Brainerd High, Harrison and Nisswa Elementaries, and the new elementary school in Baxter.

## THE BIDDING PROCESS

The process of bidding on the construction projects is governed by state law. ICS Consulting, our construction management firm, will create a bid calendar to garner contractor interest. Our hope is that projects will appeal to local and regional contractors.

## BOND SALES

---

In April, the Board of Education authorized the sale of voter-approved bonds. Ehlers, our investment advisors, will be watching the markets and offering the bonds for sale this spring.

## GET INVOLVED

---

Do you have suggestions to share about the building projects? We're still listening - we want to hear from you! Send us your ideas for consideration by the core design teams.
